Cooperative Arrangements with State Health and State Vocational
Rehabilitation Agencies

The following is a description of the cooperative arrangements with the State health and State vocational rehabilitation agencies by means of which the services administered or supervised by those agencies will be utilized to the maximum degree and will be coordinated with the medical care and services provided by State agency under the plan:

1. The agreement with the Bureau of Rehabilitation Service, Department of Education, the state vocational rehabilitation agency, provides for fulfillment of the requirements of 42 CFR 431.615. A copy of this agreement is attached. (Attachment 4.16-A.1)
2. The provisions of the agreement between the former Departments of Health and Economic Security fulfill the requirements of 42 CFR 431.615 and continue to remain in force. A copy of this agreement is attached. (Attachment 4.16-A.2)
3. The intracabinet memorandum of agreement with the Department for Health Services provides for preventive and remedial health care services for eligible Medicaid recipients and fulfills the requirements of 42 CFR 431.615.
4. The intracabinet memorandum of agreement with the Department for Mental Health and Mental Retardation Services provides for prescreening, annual resident review, and other administrative functions relating to Preadmission Screening and Annual Resident Review (PASARR) and fulfills the requirements of 42 CFR 431.620.
5. The state agency provides for the coordination of the operations under Title XIX with the state's operations under the special supplemental food program for Women, Infants, and Children under Section 17 of the Child Nutrition Act of 1966 by notifying all Medicaid recipients of the availability of WIC benefits and referring such potential WIC eligible to the WIC Program.
6. The interagency memorandum of agreement with the Commission for Handicapped Children provides for Title V Grantee services and fulfills the requirements of 42 CFR 431.615.

7. The intracabinet memorandum of agreement with the Department for Public Health, the Department for Community Based Services and the Department for Mental Health and Mental Retardation Services provides for targeted case management services for Medicaid eligible recipients including children in the custody of or at risk of being in the custody of the state, and children under the supervision of the state, and adults who may require protective services from the state, and fulfills the requirements of 42 CFR 431.615.
 8. The intracabinet memorandum of agreement with the Department for Public Health, the Department for Community Based Services and the Department for Mental Health and Mental Retardation Services provides for rehabilitative services for children in the custody of or at risk of being in the custody of the state, and for children under the supervision of the state, and fulfills the requirements of 42 CFR 431.615.

9. The interagency agreements with the Commission for Children with Special Health Care Needs and the Department for Public Health provide for targeted case management, and diagnostic, preventive, and rehabilitative early intervention services for Medicaid eligible recipients participating in the Kentucky Early Intervention Program for infants and toddlers, and fulfills the requirements of 42 CFR 431-615.
10. The Title V interagency agreement with the Department for Public Health provides for targeted case management to first time parenting pregnant women and their infants and toddlers up to three (3) years of age. Eligible recipients are those women and their infants that screen positive on the screening tool adopted for use in the Health Access Nurturing Development Services (HANDS) program.
